

Environmental Policy Statement

Ayerst Environmental Ltd (the Organisation) is committed to reducing the impact of its activities on the environment and assisting our customers by encouraging them to use sustainable resource. To this end the Organisation has implemented an environmental management system to continuously improve its environmental performance.

In order to meet this commitment the Organisation will pursue the following objectives:

- To ensure compliance with all applicable environmental legislation and regulations
- To reduce emissions and prevent pollution
- To improve waste management practices
- To reduce consumption of natural resources
- To minimise noise and other nuisances
- To assist in the management of ecology
- To continuously assess its environmental performance
- To assist in the investigation of environmental incidents in which it is involved on operational sites
- To make its environmental information available to interested parties

The necessary personnel and financial resources will be allocated to assist the Organisation in meeting its environmental objectives and targets that will be reviewed as appropriate. In addition the Organisation will continue to raise the levels of environmental awareness throughout its workforce and to promote this awareness to its customers and suppliers.

The Organisation is committed to operating its Environmental Management System in a manner that attains and sustains compliance to the international Environmental Management Standard ISO 14001.

Signed

Date: 7th January 2026

Carl Holton
Commercial Director
